from OSU Extension Service

# Building Successful Alliances

---

- n How do we interest or involve others in our program or project?
  - n WIFM
  - n common cause
  - n shared vision
- n How do we maintain diverse alliances?
  - n avoid working with the same old groups
  - n reach out to new groups

# Building Successful Alliances

---

## - n Questions to discuss:

- n Who are you currently having success with in an alliance?
  - n Where do your greatest challenges lie?
  - n What are you trying to accomplish?
  - n Why is any of this significant to what you are trying to accomplish?
  - n What are your potential partners looking for?
  - n How did you find your partners?

# Building Successful Alliances
